21 Cornhill Boston
Feb. 16 /60.

Dear Mr. Higginson;

Frederick Brown (John Brown's only living own brother) desires to hold a public meeting in Worcester on Sunday Feb. 26, at such hour as shall be deemed best for his objects; - the evening probably. His Quaker friend, Daniel Bonsall, is with him; also, at their request, Charles L. Remond will probably be present. He has been having the small Admission Fee of Ten Cents at his meetings; & perhaps that will be best in Worcester.

Bro., on all these points, we
shall be very glad if you will
take charge of the Meeting, and
make the what you deem the
appropriate arrangements. Fr.
Brown is poor, as we are informed,
having lost indeed his whole
property. He desires this chance
to speak to N. Eng^d' people,
and we gladly do what we can
to aid. Will you, getting what
help you can of others' in Worcester,
be so kind as to help him
thru' with this meeting? —

The papers will all, I presume,
announce him; and a hundred
or two handbills will complete

that part of the work. — I
doubt not that A. Feilt
will help you.

Yrs. very truly
Sam'l May Jr
